Dear Friend

Re: St Peter & St Paul's outdoor Christmas Tree Festival

Thank you very much for showing an interest in sponsoring a tree for our outdoor Christmas Tree Festival and we are pleased to say that we have managed to hold the prices at the same level as the last two years..

The festival will run from the evening of Saturday 3rd^h December and we hope that the trees and lights will remain in place until the New Year. This should give people plenty of time to come and admire the display and therefore avoid crowds congregating and compromising social distancing.

The Trees will be provided by Kingswood Christmas Trees and will come in a variety of sizes (4, 5 & 6ft which we will allocate on a first come first served basis), Phil Tassell has kindly agreed to ensure they are all firmly secured in place. Each will be adorned with a string of 200 timer controlled, battery operated fairy lights. You may also add your own decorations if you wish, however this is not essential, please bear in mind that the trees will be open to the elements and that, although it will be checked regularly, the area will not be supervised for much of the time.

I would be grateful if you would complete and return the attached form, along with payment if you are still willing to sponsor a tree.

In the meantime, please do not hesitate to contact me if you have any questions.

Best wishes
